**CENTER CLUB ORANGE COUNTY HOSTS PORTRAIT UNVEILING FOR
CHAIRMAN OF THE BOARD OF GOVERNORS, RICHARD WARD
OFFICIAL LAUNCH OF RENAISSANCE PORTRAIT ARTIST, VIN WEATHERMON**

Irvine, CA – Thursday, June 28, 2018 – Center Club Orange County will host a reveal social for Richard Ward and his fiancée, Dita Shemke on Thursday, July 26, 2018th at 6:30 p.m. The reveal social will be a special celebration and unveiling of Richard and Dita’s exquisite renaissance portrait created by Vin Weathermon. This evening social will include the Center Club Board of Governors, as well as Orange County business and community leaders.

“We are looking forward to hosting the reveal social here at Center Club, Orange County and celebrating the official launch of renaissance portrait artist Vin Weathermon. Vin’s talent combined with the various genres in portraiture truly set Vin apart. The entire experience is unique,” stated Shahin Vosough, General Manager of Center Club Orange County.

Having an original renaissance portrait commissioned for a great leader is a tradition that dates back to our original Presidents of our United States and even further back to European royalty. The renaissance style speaks to the elegance and tradition of a formal portrait, honoring the old masters that inspired this genre many centuries ago.

“Dita and I were honored to be subjects for Vin’s unique work of art. We believe the portrait is a beautiful and dignified representation of who we are, and we’re proud that it will be revealed and displayed at Center Club Orange County,” said Richard Ward, Chairman of the Board of Governors.
